Danbury

Making memories since 1964

With the new Danbury 'Choice' range, you can create your dream campervan that will be as individual as you are.

We're giving you the choice of three design-leading Eurosport alloy wheels. The Eurosport range continues to go from strength to strength and contains several Wolfrace best sellers. They are specifically weight-loaded for commercial vehicles such as VW Transporter T6.1 campervans.

we give you the **CHOICE**

Wolfrace Eurosport Silver Wolfrace Eurosport Munich Wolfrace Eurosport Aero

Choose from the latest, advanced, high-quality, hard-wearing Jaxon floorings. Each is constructed from easy-to-maintain vinyl that look and feel great with enhanced slip resistance in wet conditions.

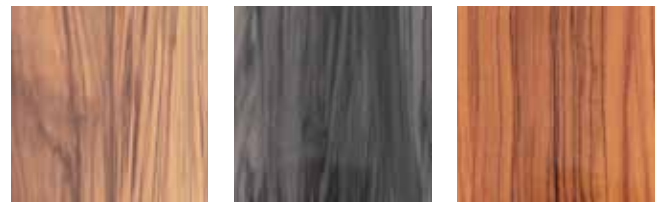

Jaxon Dark

Jaxon Medium

Jaxon Light

You can also choose which of these hi-gloss laminate wood finishes will compliment your campervan the best. Each is manufactured to our exacting standards and machined at our in-house CNC facility.

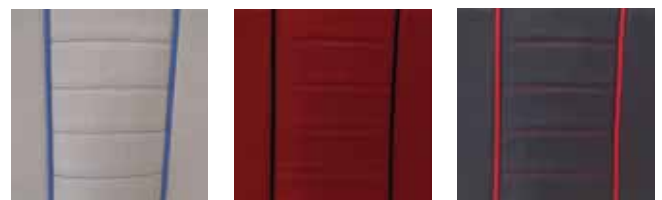

Couture Wood

Vogue Wood

Oiled Olivewood

A choice of three quality upholstery finishes provides an exclusive refinement. You can choose which of these hand-made, bespoke leathers with contrast stitching will be perfect for you.

Grey with blue stitching

Red with black stitching

Black with red stitching

To ensure your campervan looks as individual on the outside as it does inside, you can also choose which of these canvas colours will provide the best-looking combination.

Blue roof canvas

Red roof canvas

Grey roof canvas
